Service Hours Form

Name: _____

The purpose of service hours is simply to give you a taste of serving. In the process, we hope that you will find how God has gifted you so you may continue a life-long journey of service to the community and your church. We are each gifted in unique ways so feel free to serve in a way that you are passionately wired...meaning, find something you love to do and use it to serve others! Each semester required 10 total hours of service – 5 in the community and 5 in the congregation. Blessings on your time of service!
